

"I was so glad to save my church so much money by not tearing off over 300 squares of old shingles and throwing them in landfills."

– Kevin Bumstead, Plainfield, IL

DECRA Shake XD[®] Antique Chestnut

DECRA Villa Tile - Capri Clay

DECRA Roofing Systems have gracefully complemented the ageless beauty and classic architecture of churches throughout North America for 60 years.

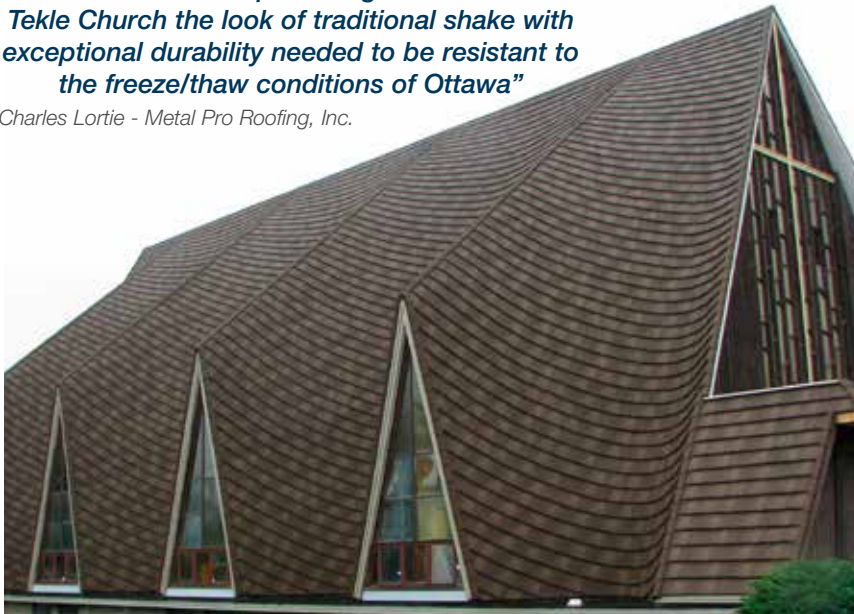

DECRA Tile - Terracotta

Why DECRA Roofing Systems?

“DECRA’s Shake product gave the Saint Tekle Church the look of traditional shake with exceptional durability needed to be resistant to the freeze/thaw conditions of Ottawa”

Charles Lortie - Metal Pro Roofing, Inc.
