

## Home Improvement Finance Programs

### Who Is GreenSky?

Trusted by thousands of contractors and some of the largest retailers in America, GreenSky provides consumer-financing options to help home improvement contractors close more sales and grow their business. We offer a variety of point-of-sale credit products specifically designed to give you a competitive advantage.

### The GreenSky Advantage

Unlike other lenders, our process is simple, fast and paperless. Through our easy Apply and Buy platform, you will see an increase in business cash flow, and a decrease in the time you spend trying to get paid.

### Why Contractors Love GreenSky

- Fast, Simple, Paperless Application Process
- Easy Settlement with No Sales Contracts Required \*
- Staged Funding
